

Vinyas Kumar

B.E in Artificial intelligence and machine learning

About me

I am a dynamic and results-oriented professional with a passion for Artificial intelligence and machine learning field. With least years of experience, I have developed a mini project in machine learning, digital image processing, mobile application development. I am highly motivated and thrive in fast-paced environments that require adaptability and innovative thinking.

Education

2024– **B.E in Artificial intelligence and machine learning, Vivekananda**
Present *College of Engineering and Technology, Puttur, Karnataka, CGPA: 8.3/10*

Skills

Programming	Python, Java, C++, C
Machine Learning	Scikit-learn
Database	SQL
Web Development	HTML, CSS, JavaScript
Other Tools	Git, Jupyter Notebook, Anaconda

Projects

- Project 1** Blood bank web interface using Database management system.
- Project 2** Pest Detection in leaf using Digital Image processing
- Project 3** Image to text conversions application using mobile application Development

Certifications

Supervised Machine Learning: Regression and Classification

Data Collection and Processing with Python

Python Functions, Files, and Dictionaries

*Vivekananda College of Engineering and Technology
Puttur, Karnataka, India*
