# Vinyas **Kumar**

AI and Ml Engineer

About me

I am a dynamic and results-oriented professional with a passion for Artificial intelligence and machine learning field. With least years of experience, I have developed a mini project in machine learning, digital image processing, mobile application development. I am highly motivated and thrive in fast-paced environments that require adaptability and innovative thinking

personal

Vinyas kumar
nationality: India
2002

Areas of specialization

- Artificial Intelligence
- machine learning

Interests

Coding,Badminton

EDUCATION

2020 | **Sudana Residential School**
HIGH SCHOOL · Puttur 📍
High School is a pivotal period in an individual's academic journey, and I am proud to have attended sudana High School.And i scored **85 Percent** at SSLC

2024 | **Vivekananda college of Engineering and Technology**
B.E · Puttur 📍
I am privileged to have attended VCET Engineering University College, a distinguished institution renowned for its exceptional engineering programs and commitment to academic excellence and presently holding **8.3 CGPA**

STRENGTHS

Teamwork Punctuality
Listening skills Problem-solving
Project management
Self-management Multitasking

PROGRAMMING

html, css
c,c++
python
java

CERTIFICATES & GRANTS

2023 Supervised Machine Learning: Regression and Classification
2022 Data Collection and Processing with Python
2022 Python Functions, Files, and Dictionaries

PROJECTS

2023 Blood bank web interface using Database management system.
2023 Pest Detection in leaf using Digital Image processing

SKILLS

- **Problem Solving Skills**
- **Communication Skills**
- **Digital Skills**
- **Mobile and Web development skills**
